Details:

Add details like banding or contrast welting, or apply decorative tape to a skirt.

Not sure where to begin? Our design consultants can help – choosing pieces in the right scale and proportion for your room, matching fabric selections to your frame choices, even helping you create a better floor plan. And their assistance is FREE – whether in store, or in your home*!

*Travel fee applies for homes over 50 miles from any store. Ask associate for details.

WHY SETTLE? GET EXACTLY WHAT YOU WANT.

At most furniture stores, you just go and pick something out.

With Calico Classic Home Furniture, you can pick most everything out. You can modify beautifully-crafted frame styles like the ones you see here with different arms and legs. Choose the ideal cushions. Then select from more than 7,500 fabrics – even choose multiple fabrics. And our knowledgeable design consultants will guide you through every step.

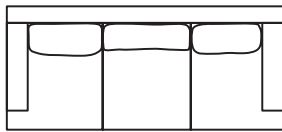

So you not only get choice furniture. You get a lot more choices.

CHOICE FURNITURE

At Calico, we've been selling one-of-a-kind custom furniture for decades. Our Classic Home Collection is smartly scaled, well-priced and hand-crafted in North Carolina. Some of what makes it better is easy to see. But because 90% of furniture quality is on the inside, don't overlook some of the most important parts:

1 Kiln-Dried Hardwood Frames

Durable hardwood frames provide strength and stability. They resist warping and shrinking with changes in humidity or moisture. They are far superior to the cheap wood framing found in most inexpensive furniture.

2 High-Quality Construction

Classic Home furniture is built the way we'd make it for ourselves, with double-dowel joints and angled corner blocks to maintain structural integrity and prevent wobbling. Legs are engineered into the frame itself to ensure strength and stability. Fabrics are centered and flow-matched – so your furniture looks great top to bottom and all around.

3 Comfortable

The Pirelli web-based suspension and Spring-foam cushions in our Classic Home frames provide long lasting sit and support. Spring-down cushions with micro-down back cushions and extended depth options are available for a small upcharge.

4 Dozens of Finishes

Our wide selection of wood finishes and Benjamin Moore® paint colors will complement any décor. All our finishes are hand applied – and take up to 14 steps to ensure even tone and luster.

5 Amazing Fabrics

Calico has a fabulous selection ranging from the top designer fabrics to hard-working Performance fabrics that are easy to clean. Take them home on approval so that you can see exactly how the fabric will look in your room before you buy.

6 Guaranteed

Calico furniture is designed to last. That's why we can confidently offer a Lifetime Warranty on frame & foundation and a 10-Year Warranty on seat cushions.
