Tips

- Queen and regular sleeper mechanism slightly visible below front sofa rail
- 3-cushion pieces will have a front center support leg that does not touch the floor. If skirted, center leg will be slightly off center
- Blendown cushions not recommended on a sleeper
- Sleeper mattress sizes:
Regular: 72"L x 53"W
Queen: 72"L x 60"W
- Finishes are applied by hand to each frame individually and can have a slight variation from piece to piece
- Back legs are not "turned" legs
- Seat cushion anchors standard on demi only
